## Computer Laser Checks

Formatting flexibility enables us to match the check layout to the printout of your software. Please send a sample of your check format when ordering.

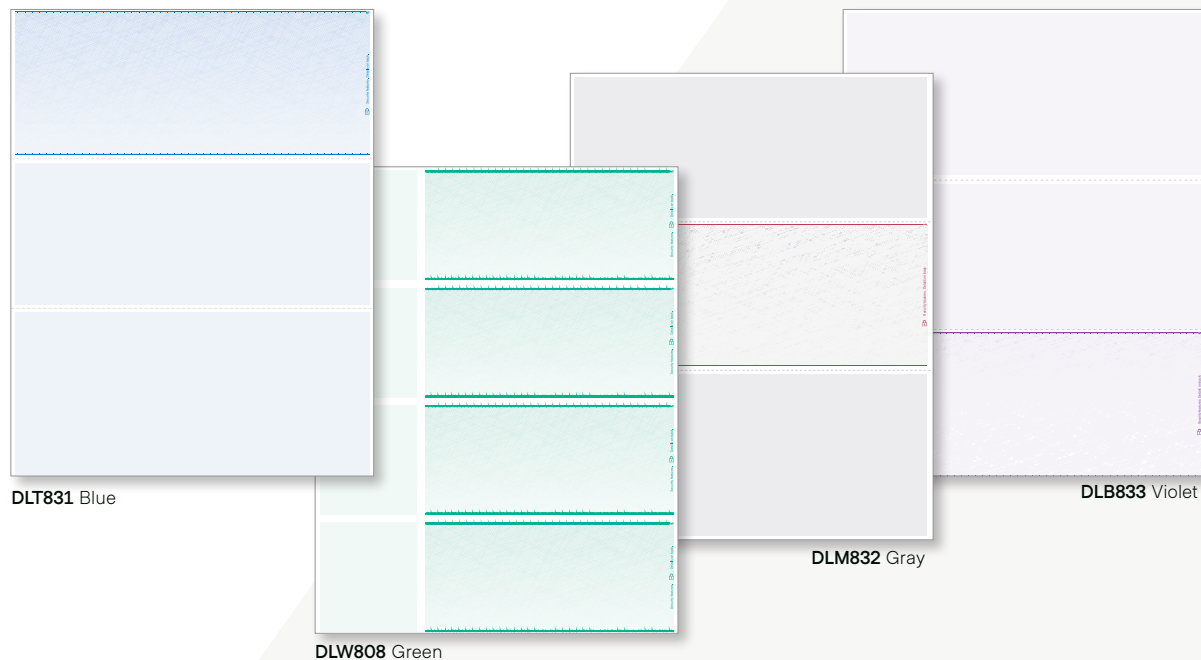

### High Security Designs

## Blank Checks

Versatile blank laser checks save time, space and money with just a single check inventory to manage.

Find the perfect mix of formats and security features with official checks — or simply design your own.

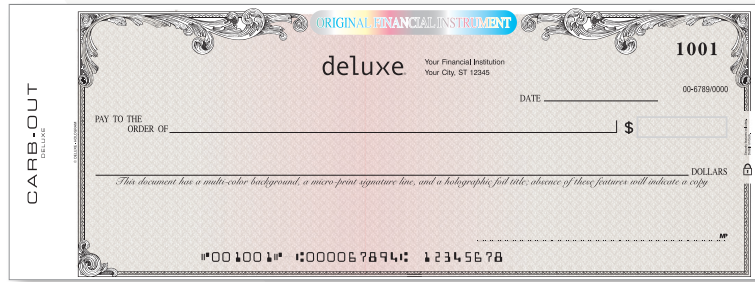

## Always the right check

Have a style you want us to recreate? No problem. Simply send a sample when ordering, and we can match your design exactly.

# » Official Checks (continued)

## Hologram Checks

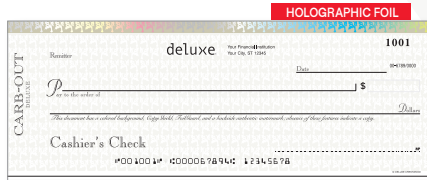

Features an Original Financial Document hologram that helps provide fraud protection.
