RESTRICTIVE ENDORSEMENT STAMPS

As a result of the July 1, 2018 amendment to Regulation CC, many financial institutions are beginning to require restrictive endorsements on mobile and remotely deposited checks as a way to protect against liability for remote deposits.

Since each financial institution is responsible for their own interpretation, Deluxe offers flexible format restrictive endorsement stamp options to accommodate each financial institution’s unique imprint requirement.

FEEDBACK FROM A RECENT FINANCIAL INSTITUTION ORDER

“Deluxe Cash Management was extremely helpful in doing my bulk stamp order. If any other department needs to do this for a large customer, I would recommend it. The 25 stamps will arrive on time so we can hand deliver them to the customer. Then they don’t have to hand write the new endorsement on ALL their checks in their 25 different accounts to be in compliance. They will be thrilled...”
